

Dear,

next year the **Poznan University of Technology** will celebrate **100<sup>th</sup> anniversary**. As a part of the celebration, a special edition of the scientific conference MANUFACTURING will be held. On behalf of the organizers we cordially invite you to submit your contribution for:

## 6<sup>th</sup> International Scientific-Technical Conference

# MANUFACTURING

The logo for the 6th International Scientific-Technical Conference MANUFACTURING 2019. It features the word "MANUFACTURING" in a bold, blue, sans-serif font. To its right is a red gear-like shape with the year "2019" in white, bold, sans-serif font inside it.

and become part of the vibrant community which will meet at **Poznan University of Technology, Poznan, Poland, May 19-22, 2019**.

The aim of the MANUFACTURING 2019 is to provide an international forum for the dissemination and exchange of scientific information on design and machine building, manufacturing technologies, metrology, rapid prototyping, virtual reality, production management and engineering, and others.

**The conference connects researchers and practitioners from various branches of mechanical engineering and management.** The goal is to integrate the Polish and international scientific and business communities. In the previous conference participated over 200 researchers and industry representatives from 18 countries. In the following edition we expect even more!

The conference proceedings will be published by **Springer** as **Lecture Notes in Mechanical Engineering** series. They will be submitted to, among others, ISI Proceedings (**Web of Science**), **SCOPUS** and Google Scholar.

**CALL FOR PAPERS:** Paper submission deadline is **October 31, 2018**. Up-to-date information may be found at <http://manufacturing.put.poznan.pl/en> as well as <https://web.facebook.com/manufacturing2019/>.

Please share the news about MANUFACTURING 2019 in your community!

And the latest news - all **papers from 5<sup>th</sup> MANUFACTURING (2017) are already indexed in WoS (Web of Science)**, Clarivate Analytics, as well as in SCOPUS!!!

We look forward to seeing you in Poznan!

Regards / Z pozdrowieniami,

*Prof. Adam HAMROL, general chair  
and MANUFACTURING team*

#### **Information clause (RODO)**

In accordance with article 13 of the Regulation of the European Parliament and of the Council (EU) 2016/679 of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46 / EC (hereinafter referred to as GDPR) we inform that:

1. The Administrator of your personal data is **Poznan University of Technology** located at **Pl. Marii Skłodowskiej-Curie 5**, e-mail: [biuro.rektora@put.poznan.pl](mailto:biuro.rektora@put.poznan.pl), phone: +4861 665 3639.
2. Contact details of the Data Protection Inspector (from May 25, 2018) - Piotr Otomański, [iod@put.poznan.pl](mailto:iod@put.poznan.pl).
3. The legal basis for the processing of your personal data is the contract concluded between the conference organizer and the participant of the conference - article 6 section 1 (b) GDPR
4. The data will be processed for the implementation and settlement of the conference **MANUFACTURING 2019**.
5. According to the law in force, personal data may be transferred to processing entities (**article 28 section 1 GDPR**) - to hotels and institutions and companies whose services the conference participants will use as well as bodies authorized under the law.
6. The data will be kept for the period necessary for the proper implementation and settlement of the conference - 5 years from the end of the calendar year in which the conference was organized.
7. You have the right to access, rectify, transfer and delete your personal data and the right to limit processing.
8. You have the right to lodge a complaint with the supervisory authority if you consider that the processing of your personal data infringes the provisions of the General Data Protection Regulation (GDPR) of April 27, 2016.
9. Providing your personal data is necessary to effect the contract of participation in the conference **MANUFACTURING 2019**. Should personal data not be provided, participation in the above-mentioned conference will not be possible.
10. Your data will not be processed in an automated way, including profiling.
